TAP TEAM'S NOTE

Hi TAP-TAPPERS!

We can't believe we are in our third season of cocktails since we kicked off last October! We'd like to send all of you a big THANK YOU! ❤️

This season, we have added six new yummy cocktails (page 06 - 07) with higher ABV while sticking to our mantra - that TAP TAP makes easy-to-enjoy drinks - so you can enjoy them all day or night.

But hang on - that's not all.

With our brand spirit "LIVE IN THE MOMENT", we have added games to sprinkle more fun into your experience here at TAP TAP. Flip over to page 09 to check it out!

In other exciting TAP TAP news:

- A brand spanking new design for our TAP & GO cans (page 11) 🔥
- A NEW mobile TAP TAP booth/kiosk to cater for weddings, events and birthday parties! You can enquire more via our IG page.

A lot is happening here at TAP TAP HQ, so stay tuned via @drink\_taptap as we have more exciting announcements coming your way!

Yours Truly,  
TAP TEAM

**Why cocktails on tap?**

**FAST** – with every cocktail served in less than 30 seconds, we reduce the wait and serve time, making our cocktails more convenient.

**AFFORDABLE** – Our cocktails are priced to be reasonable and accessible.

**QUALITY** – We develop our recipes with premium and fresh ingredients.

**CONSISTENT** – All cocktails are pre-mixed, allowing us to achieve a consistent flavour each and every time.

**Did you know:**

- TAP TAP has the widest range of draft cocktails on tap in Malaysia, with **13 TAPs** at **Rabbit Hole, KL** and **9 TAPs** at **YÁN, GENTING**.
- Every season, we collaborate with award-winning bartenders to showcase their creativity, and we provide a platform by having one of our TAPs dedicated to their unique cocktail.
